

*Extra, Extra!
There's been a
murder!*

*The director of the
Castle Art Museum was
murdered in broad
daylight!*

*The culprits are
believed to be people
from the Python
Mischief!*

*More than a
simple sort of spiritual
relationship? Or was
it an accident?*

*Customers are
currently boycotting
the Python Mischief's
who are hiding the
culprits!*

Karak,

...then

think I'm
no good

ONE MINUTE!

Even though
there was someone
lying in a pool of blood
right before my eyes,

I just stood there,
wondering...

If that was the
Karak's main body.

I'm looking for
the Parasitoid for
you, Kaitoko...

and for myself.

I have feelings...

But someone died.

Was it my
fault?

What if it was the
Parasitoid that did it to
cause his tracks?

What if
he was killed
because I decided
to visit him?

Maybe if I
hadn't gone to see
him, this wouldn't
have happened...

These thoughts
are constantly
haunting me.

I don't know
if we should look for
him anymore...

I don't have the confidence to say that the road I'm taking is right.

Tell her that she doesn't have to search for it anymore.

Just like how the
Ryemias can affect
the Dragon,

the Dragon can affect
the Ryemias, as well.

Just forget about
something like a
Parasitoid...

and tell her to stay
right with you.

Make it so that her eyes are only for you.

It was in all that time long ago
that caused her shadow to be gone.

You know, that...
you want to fill that small
hole of hers with all of you.

That's why ~~you~~ made her wear "Eyesbane".

to bind her to you.

Ryana.

LONE MAMA!

Lord Kainok,
Lady Erynos,
are you two
all right?

Mmmmm!

THE MIND

I've asked the employees, but they didn't know anything about a blue-robed lady

Instead, I was kicked out because they said I was too young to meddle in the matter...

Karis usually takes good care of these situations, but we couldn't reach her...

Karin...
My Karin would've
been able to...

I'm sorry...

for being
unable to clear the
current warrant.

That lady...

was wearing a
crispier robe. When
she came out of the
room, she was holding
a long rod wrapped
in a white cloth.

That must've been
what she came for.

LOW

But why...?

Her robe was
made of high-quality
linen. It was blue with this
design, so please look for
a store that has it.

Yes.

BVM

I need to
find out...

Why that lady
had to kill the
director.

Was it because he
was a Harbinger? Or was
it because she used him to
struggle something..?
